

Consultation Process for the Transposition of the European Basic Safety Standards (BSS directive 2013/59/Euratom) for the protection against the dangers arising from exposure to Ionising Radiation

The Radiation Protection Board has prepared draft regulations entitled:

“Basic Safety Standards for ionising Radiation Regulations”

To fall under a new draft Act entitled *Nuclear Safety and Radiation Protection Act*. The purpose of the regulation is to transpose EU Directive 2013/59/Euratom

Stakeholders are being invited to send any comments on a **draft regulation** entitled ***“Basic Safety Standards for ionising Radiation Regulations”*** by 22nd December 2017

- A copy of the draft regulations can be downloaded by **clicking here**
 - [\(Regulation draft_BSS Consultation copy_17Oct2017.pdf\)](#)
- For reference a copy of the draft Act can be downloaded by **clicking here**
 - [\(Radiation Act_Final draft_01Mar2017.pdf\)](#)

Also for reference, a copy of the EU Directive is available at:

<http://eur-lex.europa.eu/legal-content/EN/TXT/PDF/?uri=CELEX:32013L0059&from=en>

Please forward any comments not later than 22nd December 2017 to:
