## Seminar Invitation

The Occupational Health and Safety Authority in Malta in collaboration with the European Agency for Safety and Health at Work and the Faculty of Engineering at the University of Malta would like to invite you to a seminar on

# EXPOSURE TO VIBRATIONS AT WORK

## Legal and Practical OHS Aspects

The topics covered include:

- OHS legislation on risks from exposure to vibrations
- Health effects of exposure to vibrations
- Monitoring, measurement and assessing exposure to human vibration
- Practical session using monitoring equipment.

Ample time will be dedicated to a discussion.

This event is scheduled to be held on **11 October 2018** between 08.30 and 12.45 hrs followed by lunch. The working languages will be Maltese and English.

A full programme and venue will be communicated to persons confirming their attendance.

*Participation is free of charge however prior booking is essential and assigned on a first-come first-served basis.*

Registrations are to be made by sending an email to [ohsa.communications@gov.mt](mailto:ohsa.communications@gov.mt) with the subject 'Exposure to Vibrations at Work' by not later than Monday 1 October 2018.
