OHSA on the Move

16.11.04

The Occupational Health and Safety Authority is in the process of moving to new premises in Pieta'. To this end, we regret to inform the general public that our services will be interrupted for a short period of time and we will be unable to process calls, mail or emails which are not of an urgent manner. During this time only pending cases and emergency calls will be attended to.

We kindly request that between the 17th and 26th November, the OHSA is only contacted in cases of emergency or of a very urgent nature. The emergency number of the Authority is to be kindly used during this time: 99496786.

The new postal address of the Authority will be: 17 Edgar Ferro Street, Pieta' MSD 07. All the other contact details will **not** change. Another notice will however be issued when the Authority is fully functional again, giving full contact details.

While we kindly solicit cooperation in this matter, we apologise in advance for any inconvenience that might be caused.
