**Data Protection Declaration:**

The Department of Social Security collects all relevant personal information to provide its services to individuals who qualify for assistance, allowance or non-contributory pensions in accordance with the Social Security Act (Cap 318). The Department may verify the information submitted by you in line with article 133 (b) of the Social Security Act to ensure its accuracy in relation to the claim. Personal data may be disclosed to departments / third parties, who may also have access to your data as authorised by law. Personal information may also be exchanged with benefits institutions of other countries to combat and deter fraud, as provided for in international treaties or bilateral agreements to which Malta is a party. You will be informed in due course of the result of your claim after it has been assessed.

The Department of Social Security treats your personal information in accordance with the Data Protection Act, (Cap 440) to protect your privacy. You may request in writing to access information held about you, and eventually to rectify, and where applicable to erase incorrect information, having regard to the claim for which you applied. Such request is to be addressed to: "The Data Controller" at the Department and appropriate action would be taken at the earliest possible time. In making such requests, kindly quote your identity card number, national insurance number, your name and address and other relevant documentation to identify your case.
